🧭 NDA 2025 Study Planner – Usage Guide

This planner is designed for **2 hours of focused study every day, from 01 August to 31 December 2025.** Each subject is color-coded and spaced smartly with only ~3 pages per day. Here's how to use it:

✅ 1. Read the Top Row Columns Carefully

Column	Meaning
Date	Day of study (example: 01.08.2025)
Subject	What subject to study (Maths, Physics, etc.)
Topic	The chapter name or section you will study
Pages	Exactly which pages to read from the Pathfinder NDA book
Difficulty	Fill in your personal rating of the topic: 🌕 Easy / 🌗 Medium / 🌑 Difficult
Completed	Tick (✔) once you've finished reading and understood the topic
Hours Studied	Write how many hours you actually studied that day (aim for 2 hours!)

🎯 2. Study in the Right Order

Follow the order: **2 days Maths → 1 day Physics → Chemistry → Biology → History → Geography → Polity → English**

Every month ends with **4 days of Revision / Catch-up**

🖍️ 3. Subject Colors

- - 🔵 **Blue Maths**
- - 🟠 **Orange Physics**
- - 🟢 **Green Chemistry**
- - 🔴 **Red Biology**
- - 🟣 **Purple History**
- - 🟤 **Brown Geography**
- - 💗 **Pink Polity**
- - ⚫ **Gray English**
- - 🔵 **Cyan Revision**

🧠 4. How to Use Difficulty Ratings

After reading the topic:

- 🌕 **Easy – You understood everything well**
- 🌗 **Medium – You understood mostly, but need revision**
- 🌑 **Difficult – You didn't understand, mark for extra revision later**

🔁 5. During Revision Days (28–31 of Every Month)

Go back to topics marked 🔮 Difficult

Focus on re-reading tough parts

Practice MCQs and previous year questions from that topic

📘 6. Tracker Use Tips

Fill your "Completed" and "Hours Studied" daily. This keeps you consistent!

Keep the planner printed, or use it digitally and fill using Word.
